

RYC this is a reminder that our meeting is tonight. Monday 1.21 @ 7:00

It is also an addendum to The Bullship Log.

I was too far along with publishing the newsletter and out of time to redo it when I realized I'd not included anything about the awards at the Christmas party. Oops. So, herewith – is the rest of the story.

The whole shebang – our annual Christmas Party at Linos

Outgoing Commodore Marty O'Connor presents the Misfortunate Captain Ron Award to Ray Olson for helping dredge the Racine Yacht Club basin with his Hunter's keel.

Ray was also recipient of the Member of the Year award. Nancy beams on.

Preston Aylesworth passed on the [Good Captain Ron Award](#) to **Evans Walker** for his long commitment to RYC and exceptional care of member Shirley "Sam" Walker.

No photo of the award – as Bill Siegworth forgot to bring the award from home following having it engraved.

New members Jay and Cheryl Church won the 50/50 raffle. Everyone had a great time.
