

# The Bullship Log

Monthly Meeting  
Harlem Township Hall  
Monday - Aug 21 @ 7:00 p.m.

## Commodore's Corner

A few activities went on since the last meeting. The Yacht Club Picnic was well attended and there was good wind for the boats that sailed that day on Pierce Lake. The weather was great. Thank you to Linda and Marty for getting us the main course – chicken.

We also had great weather for road clean up on Saturday the 12<sup>th</sup>. The grass was long and seemed like it would slow us down, but it actually helped because it is hard to find garbage in tall grass. Although we had only 6 people we were done in about 2 hours.

See you on Monday the 21<sup>st</sup> for the meeting. The meeting will be held at Harlem Township Hall 7 pm. Last months meeting at he park went well and I had a chance to get off work early and paddle around Olson Lake and Pierce Lake. It was relaxing to be able to do this before our meeting.

I had to travel to San Diego for work and I took the opportunity to ask the San Diego Yacht Club if I could visit them while in town. They were very inviting and offered to exchange burgees with our club. I happened to have an RYC burgee and took it there for the exchange. Details at the meeting.

At the meeting on Monday, bring your pictures to share from the Picnic, last 2 meetings at Rock Cut, Road Clean up, or other sailing activities.

See you there.

Commodore Brian

Several members requested the recipe for the delicious dish Bill & Marty Siegworth brought to the picnic, which they have generously shared. Enjoy.

## Fall Fashion Show

Any members interested in attending the Milaeger Fall Fashion Show, held at their Sturtevant, WI store (near Racine) on Saturday, October 28th? Tickets may be purchased on their website, <http://www.milaegers.com> and generally sell out quickly. You have the option of purchasing a lunch with your ticket if you wish. There is also a small cafe in the store which sells sandwiches, salads and drinks. The event starts at 1:00, but generally it is best to arrive around 11:00 to reserve your seat. Milaegers sells approximately 600 tickets to this fun event which features of course the fashion show, thousands of dollars worth of door prizes, cool goody bags, discount coupons and a fabulous dessert table at the conclusion of the festivities. We are planning on organizing a carpool. Please feel free to invite your friends. There will also be an event planned for the gentleman to attend while the ladies are at the fashion show. Event to be announced. Talk to Ray Olson if you have any ideas. Later in the evening, everyone will meet up at a neighborhood restaurant for dinner.
